

By die goedkeuring van die begroting het die ODM raad goedgeunstig ingestem dat lede van die brandbeskerming kwyt skelding ontvang van brandbestryding fooie (suppression cost). Grondeienaars moet verantwoordelikheid neem vir die monitering van die gebluste brand lyne – ODM kan die diens voorsien teen 'n fooi – sien aangehegte tariewe lys. Die voorwaarde hierby is dat hul aktiewe lede moet wees wat aan die reëls van die goFPA vereniging voldoen.

The aim is to put the fire out together – this is a team effort, and fighting wildfires is everyone's fight.

If you're in the Overberg area (excluding the Overstrand)

- As a goFPA member, access to the Overberg's fire suppression team to control a newly-started wildfire is free of charge.
- As a goFPA member, the first hour of aerial support (helicopter and spotter) is free – if deemed necessary by the Chief Fire Officer.

If you're in the Overstrand area:

- There is a fixed cost per hour for fire-suppression teams on the ground.
- As a goFPA member, the first hour of aerial support (helicopter and spotter) is free – if deemed necessary by the Chief Fire Officer.

But please note: the Chief Fire Officer or his/her delegate will approve air support. Air support may not be available or appropriate.
